EASTER

1st Sunday is the first Sunday after the first full moon which occurs on or after March 21. It may be as early as March 22 or as late as April 25. In 1979 it will be on March 26.

The six and a half weeks which precede Easter Sunday are known as Lent. However, as restrictions are lifted on Holydays, the forty weekdays of this period constitute Lent in which the faithful are exhorted to follow the example of Our Lord and Saviour in His fast of forty days and nights in the desert. In 1979, Ash Wednesday will be on February 8.

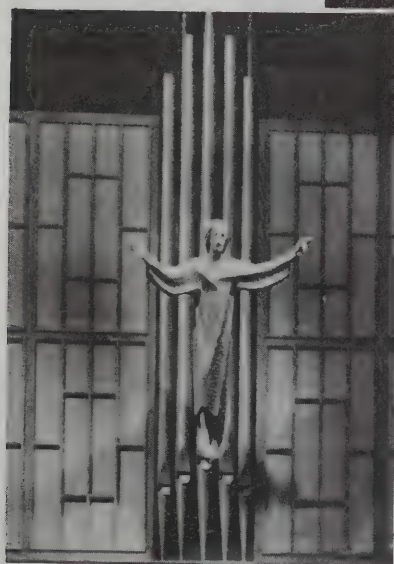

About
the
Cover

Our stark black-and-white cover this year salutes THE PILOT, America's oldest Catholic news weekly and official newspaper of the Archdiocese of Boston. THE PILOT was founded in 1829 by the second Bishop, the Most Reverend Benedict Fenwick, as "The Jesuit". In its early life, it changed its name several times (The United States Catholic Intelligencer, e.g.), settling on THE PILOT in 1836, a name-choice taken to honor a newspaper of that name in Dublin, Ireland. The front page discernible in the background is that for Saturday, July 23, 1870, in which edition is reported the deliberations of the First Vatican Council. At this Council, as the sub-headline declares, "The Infallibility Dogma (was) Adopted."

PASTORAL DEVELOPMENT

Most Reverend Daniel A. Hart, D.D., Vicar

Office: 2121 Commonwealth Avenue, Brighton, Ma. 02135

Telephone: 783-9186

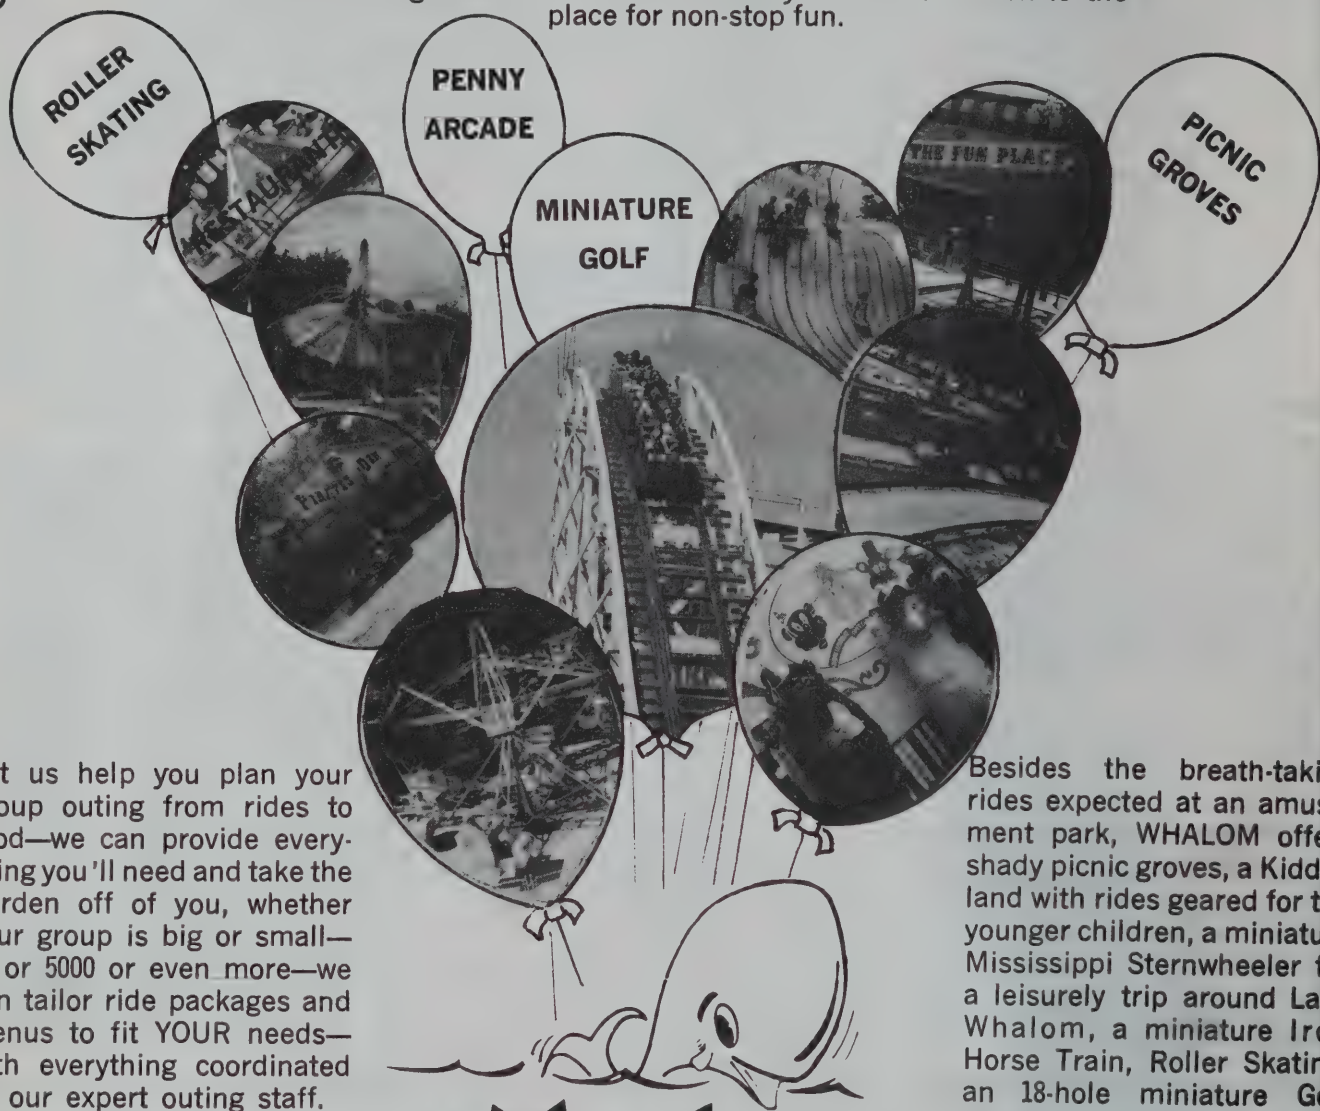

The Office of the Vicar for Pastoral Development was formally activated by Cardinal Medeiros in September of 1978. The purpose of this role and office is to further develop corporate pastoral planning for Evangelization in the Archdiocese of Boston. In response to the call of Vatican Council II for structures which enable broad participation in carrying forward the mission of the Church, Centers of Reflection are being inaugurated at Vicariate, Regional and the Archdiocesan levels. Planning is seen as a collaborative process leading to choices which will enhance the apostolic effectiveness of the Church.

No Boston hotel gives the meeting planner more choice. From the rich, wood-paneled intimacy of the Hancock Room, to the spaciousness of the Georgian Room, or the comfortable expanse of the Ballroom, the Boston Park Plaza arranges the largest meetings, conventions, and banquets with ease. And a touch of elegance.

Smaller meetings run just as smoothly. With 31 function rooms to choose from, it's no problem finding one that's precisely right for your conference, sales meeting, or other function. And our bars, restaurants, and **over eight hundred newly-decorated guest rooms** put after-hours relaxation pleasantly close at hand.

For complete information or reservations, just write or call our General Manager, Earl Duffy. He'll put our meeting experts to work on your requirements immediately.

By their vocation and ordination, priests of the New Testament are indeed set apart in a certain sense within the midst of God's people, but this is so, not that they may be separated from this people or from any man, but that they may be totally dedicated to the work for which the Lord has raised them up.

THE PATIENT / PERSON

A patient is first of all a person. Not a diagnosis, a statistic, "the gal bladder in room 403," or just another admission. But a person with a unique makeup, likes, dislikes, fears, spiritual and emotional needs. And, of course, health problems.

For 30 years now, the TOTAL health care of a person has been our philosophy.

A patient is a person, too. And when you're a patient, compassion and understanding mean a lot.

The day the Catholic families banded together

Back in 1879, a group of recently-arrived Catholic families planted the seed of a new idea, a fraternal insurance society for mutual security and social benefit. The seed became a tree, the tree a forest. Foreseeing such growth, they named their society The Catholic Association of Foresters.

As a member of this non-profit organization, you have many ways to protect your family. Life insurance made flexible to a broad spectrum of needs. Accident and illness income protection. Hospitalization and medical coverage. And other specialized plans.

The association offers social and spiritual activities, programs for underprivileged families. Young members can compete for Foresters College Scholarships.

Which plans are best for you and your family? Let the Catholic Association of Forester's help. We'll be glad to review your particular needs with no obligation.

Call us at (617) 536-8221 or write for more information.

HOW TO TAKE COMMUNION IN THE HAND

This is how St. Cyril of Jerusalem instructed the newly-baptized in his congregation during his Easter sermon in the year 348: "When you approach Holy Communion, make the left hand into a throne for the right, which will receive the King. With your hand hollowed, receive the Body of Christ and answer 'Amen'. Then consume it, taking care not to lose any of it."

Perhaps that instruction is clear enough. There is no "absolute" way of taking Communion. However, the following steps might be helpful, always remembering that the first rule is reverence.

1. Place one open palm on top of the other. (If you are right-handed, the right hand should be on the bottom; if left-handed, the left hand should be on the bottom.)
2. After you have replied "Amen" to "The Body of Christ," the minister will place the Host in your open hand.
3. Step aside to make room for the next communicant.
4. With your lower hand, take the Host and place it in your mouth. Only after this return to your place.

'ALREADY CHRISTIAN'

"From the moment it reaches in its
own line a certain level of greatness
and purity, art heralds without under-
standing them the invisible order and
glory of which all beauty is but a sign;
Chinese or Egyptian, it is already
Christian in hope and in symbol."

Energy saving hints for greater efficiency with Natural Gas

These days, we're more conscious than ever of conserving vital energy. So here are some suggestions that can help you use clean, efficient natural gas appliances more efficiently.

1. Use ranges and ovens wisely

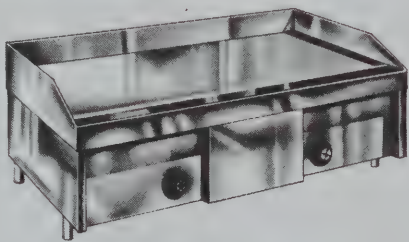

On solid-top ranges, a 10-15 minute preheat period brings the surface to cooking temperature. On open-top ranges, there's no reason to turn on the burners before actual cooking.

Regulate the burners so that flame tips just touch the utensil bottoms. A higher flame only wastes gas. Turn down the flame when cooking temperature is reached.

Slow roasting not only reduces meat shrinkage but saves gas. When preheating the oven, set the thermostat at the desired temperature. A higher setting won't heat the oven any faster. Avoid opening oven doors unnecessarily.

2. Operate gas griddles efficiently

Never overheat a griddle. The cooking results could be unsatisfactory and also waste gas. For light grilling, a low or medium flame is adequate. Turn down burners during slack periods. Use the thermostat. And of course, a clean griddle is more efficient.

3. Conserve gas when using broilers

Since gas broilers heat so quickly, the flame can be turned low between broiling operations. During slack periods, turn gas off completely. Operate only part of the multiple-burner broiler during slow periods. Unclog burner ports with a stiff wire. Again, a clean broiler will be more efficient. Scrubbing the broiler chamber and scraping the upper and lower sides of the grids maintain peak performance.

4. Handle fryers effectively

You'll save gas and get better results when you melt the fat completely and bring it up to the proper temperature before frying. In modern high-speed fryers, temperatures ranging from 325 to 335 are ideal for most food. Turn the thermostat down or off when fry kettles are not in use.

5. And in general . . .

Remember gas equipment should be checked and adjusted where necessary by experts. Thermostats and controls should be accurate. Burner flames should have the proper gas/air mixture — the flame should be all blue with a firm center cone. Burners and orifices should be kept clean.

CATHOLIC COURTESY

Within the Parish:

REGISTRATION

1. A family should be registered in the parish soon after it moves into the parish limits. The head of the family should call at the rectory to give information on school-age children, and sick or infirm persons who cannot attend Mass so that they may be placed on the Communion list. All information should be supplied which will enable the priests to render spiritual aid to the family.
2. A family leaving the parish should similarly inform the pastor of its departure.
3. Attending Mass in another parish church does not alter membership in one's own parish, nor relieve one of one's responsibilities to it.
4. Calls at the rectory should be scheduled, if possible, by phoning in advance for an appointment.

SICK CALLS

1. In cases of grave illness or danger of death, the rectory should be notified without delay, no matter what the hour.
2. The sick person should be encouraged to recite an act of contrition pending the arrival of the priest.

Ambassadors to Disabled Children

Knights of Columbus councils and individual Knights are becoming involved in putting youngsters with communications disorders into contact with a possible cure.

Source of the potential remedy is the Boys Town Institute for Communications Disorder in children located in Omaha, Neb. The Knights become "ambassadors by informing these youngsters and their parents about the facilities available at the institute, and in many cases by assisting them in the journey and stay there.

The institute recognizes that expenses for high-quality care and treatment for the communicatively handicapped child can be prohibitively expensive, even for families of above-average means. Thus it is the institute's policy that no boy or girl with a communications problem shall be denied care or treatment because the child's parents or guardians are unable to pay for the costs of such care and treatment. A Boys Town Institute Child Service Fund has been established to provide financial assistance to cover the cost incurred by the institute in providing services to Children from families unable to afford the costs of these services.

A brochure available from the institute (555 North 30th, Omaha, Neb. 68131) takes pains to stress that "all communicatively handicapped children, regardless of race, creed and their family's financial means, are eligible for care and treatment at the Boys Town Institute. The institute asks families to cooperate in obtaining health insurance and other third party payments. Parents are asked if they can defray all or part of the remainder of the unpaid costs. If the parents decide that they are unable to contribute, the child's service cost are paid with funds derived from public contributions."

District Deputy Thomas P. Markel is chairman of the committee. He can be reached at 8121 Dorcas St., Omaha, Neb. 68124. His phone number is (402) 393-1849. In addition there is a direct line at the institute—(402) 449-6540—where a secretary will take messages from Knights seeking information about the facility.

ST. CHARLES BORROMEO PARISH

Waltham, Massachusetts

A RENOVATION and LITURGICAL RENEWAL

Rev. Msgr. William B. Shea, Pastor
Chairman of the Art and Architecture Committee,
Archdiocesan Liturgical Commission

"ENVIRONMENT AND ART IN CATHOLIC WORSHIP"

This 1978 Official Document of the Bishops' Committee the Liturgy sets forth the broad principles involved in parochial church design or renovation. The recent liturgical renewal of the chapel in St. Charles Borromeo Parish, Waltham, highly exemplifies their application.

"... a manner and an environment which invite contemplation. A simple and attractive beauty in everything that is used or done in liturgy is the most effective invitation to this kind of experience. One should be able to sense something special (and nothing trivial) in everything that is seen and heard, touched and smelled, and tasted in liturgy."

To God again the enfranchised soul must tend,
He is her home; her author and her end.
No death is hers; when earthly eyes grow dim
Starlike she soars and Godlike melts in Him.

Pontifical Decorations

The Holy See confers various titles, orders, decorations, and other honors on certain persons, usually lay people, who in some special manner have distinguished themselves in furthering the well-being of humanity and of the Church.

The Supreme Order of Christ was started by Pope John XXII in 1319. Today it is the supreme pontifical Order of Knighthood, conferred only on very rare occasions.

The Order of the Golden Spur follows the Order of Christ as a pontifical decoration. It has one class of 100 Knights, and is awarded only to those who have furthered the cause of the Church by outstanding deeds. It is bestowed also to non-Catholics.

The Order of Pius IX has three classes, Knights of the Grand Cross, Commanders, and Knights. It is awarded also to non-Catholics.

The Order of St. Gregory the Great was founded by Pope Gregory XVI in 1831. It has two divisions, civil and Military, each of which is divided into three classes: Knights of the Grand Cross, Commanders, and Knights.

The Order of St. Sylvester, instituted in 1841, like the Order of St. Gregory, has three classes of Knights.

The Order of the Holy Sepulchre is considered one of the oldest of pontifical honors; it is today highly prized in Europe. It has been bestowed on kings and nobles, on heads of republics, on persons outstanding in arts, letters, and sciences, on those who in special manner have served the Church. Unlike other orders, this is bestowed on clerics and women.

The Order of Knights of Malta is the oldest order of laymen and prelates in the Church. Founded in the eleventh century, it traces its history to the Hospitalers of St. John of Jerusalem and to the Knights of Rhodes. Their membership comprises commanders and several classes of knights.

The medal "Pro Ecclesia et Pontifice" was instituted by Leo XIII, that great "Pope of the Workingman," in 1888. It is awarded in recognition of special services to the Church and the Pope.

The "Benemerenti" medal was instituted in 1832 by Gregory XVI, of two classes, civic and military, in recognition of outstanding daring or courage.

Kennedy Memorial Hospital for Children is 30 Years Young !

In 1979, we celebrate our 30th year of providing services to children. We thank our friends in the community who have helped us through the years.

Through the leadership of the late Richard Cardinal Cushing and the sponsorship of the Franciscan Missionaries of Mary, the hospital opened on September 8, 1949.

The hospital's earliest patients were severely handicapped and retarded youngsters, and the 1950's saw an influx of children with polio. Today, we have expanded to meet the general pediatric needs of all children in the community while maintaining our commitment to serve the multiply handicapped child.

In 1979 Kennedy Memorial Hospital is:

A GENERAL PEDIATRIC HOSPITAL
A REHABILITATION CENTER
A DAY SCHOOL PROGRAM
AN OUTPATIENT/EMERGENCY FACILITY

"The proof of an educational tool is in its results."

That quote is from Sr. Mary Alphonsus Crimmins, S.C. talking about Grolier Educational Services in an unsolicited letter praising G.E.S. cost-free programs. Sr. Mary is principal of St. Bernard's School in New York City. Specifically, she reported the improved results shown in the graph based on four years of S.R.A. scores of students from Grades 4 through 8. Said Sr. Mary: "The **last three** (years) indicate use of your (Grolier) program."

Across the nation, thousands of parochial schools are already benefiting from Grolier's cost-free programs designed for every grade level from kindergarten to 8th grade.

The basic program G.E.S. provides is a classroom demonstration in the use of source material. Among many topics covered are, "How to do Independent Research" for the lower levels, "How to use the card catalog" and "Dewey Decimal Systems" for the middle grades, and "The art of writing a research paper."

Grolier's trained personnel, most of whom are certified teachers, go into the classrooms where they cover in about 30 minutes, dramatically and intensively, the library science topics as in examples above.

Each program is carefully designed to grade level at which it is taught, and is integrated into a year by year, step by step growth pattern.

Grolier's many educational services include but are not limited to:

- **CLVA** — The Catholic Library Volunteers of America, co-sponsored by Grolier and Today's Catholic Teacher to assist library volunteers
- **Project:Sharing** — Nationwide contest of Grolier and TCT whereby Catholic educators share their teaching ideas
- **Mr. Light Magic Show** — Delightful classroom demonstration for basic pre-reading skills practice
- **Library Lessons** — To develop full and proper use of library materials
- **CCD** — God and Science film and lecture presentation

TO SAVE MONEY ON HOME AND PARISH HEATING COSTS CALL 617-245-4480

This number could be the beginning of fuel savings for your parish this winter and for years to come. Here's how.

With a hotter, wetter flame

Scientists have known for years that a very fine, controlled water vapor mixed into the flame of your oil-burning furnace can actually increase its heat output and efficiency. We've proven this fact in thousands of installations, including Yale University, Westinghouse, NBC, American Can, ITT, on the national level and RCA, Peter Fuller Cadillac, B&M Railroad and Saint Clement's Parish on the local level.

In a recent letter from Saint Clement's Parish in Somerville, Monsignor Hart commented;

PYROCHARGER is the name of our Vapor Injection System, which is suitable for use in buildings large and small. This time-proven product is fully automatic and maintenance-free.

HOW PYROCHARGER WORKS TO SAVE YOU MONEY

Greater efficiency is the key to more economical heating. With PYROCHARGER, a controlled amount of water vapor turns into gases at the fuel nozzle, breaking the fuel oil droplets into even smaller particles for more complete combustion and a hotter flame. This highly efficient flame also greatly reduces the presence of carbon residue and excess air, thus inhibiting rust and corrosion. This can mean real savings.

PYROCHARGER REDUCES SOOT BUILD-UP, TOO!

Soot makes great insulation. So when it builds up on the walls of your furnace, it robs you of costly heat. PYROCHARGER'S hotter flame burns off excess soot, saving you money and maintenance problems.

PYROCHARGER equipment costs are lower than those of its competition. The unit carries a five year unconditional warranty on parts from the manufacturer. Plus a guaranteed return on customer investment via fuel savings, that is unequalled in the field.

PYROCHARGER IS AVAILABLE NOW!

If you're burned up over the skyrocketing cost of heating, throw some water in the fire. Just call us.

**Aer Lingus
lowers
the 7 day fare
to Ireland.**

**Effective October 1, you can stay
from 7 to 45 days for as little as**

\$320

* Round trip
Boston
to Shannon

Up until now, if you were spending only 7 days in Ireland you had a problem: the low, low, Super Apex fares were available only to people staying in Ireland 14 to 45 days.

But starting October 1, Aer Lingus is lowering the Super Apex requirements to 7 days.

That means that now you can visit Ireland for as little as 7 days, or as many as 45 days, and still pay only the low, low Super Apex fare. All you have to do is make and pay for your reservation at least 30 days in advance. And don't forget, even if you're not planning on going right away, this fare is available until

March 31 (and that includes Christmas and New Year's). There's only one real

hitch: you have to hurry. Our Super Apex fares are available for a limited number of seats on each flight.

So the quicker you act, the better your chance of getting the exact dates you want.

Call your Irish travel agent right away. Or call Aer Lingus at: (800) 223-6006.

Fares subject to Government approval. \$3 U.S. transportation tax not included. \$50.00 cancellation fee if you change your reservation after ticketing.

THE THREE PRINCIPAL FEASTS OF THE YEAR ARE:

1. **Christmas** commemorating the birth of Our Lord.
 2. **Easter** celebrating the Resurrection. (Easter is always the Sunday after the first full moon following March 21 and determines the position of the different seasons of movable festivals of the year.)
 3. **Pentecost** celebrating the Descent of the Holy Ghost upon the Apostles.
- Every day of the year the church commemorates her saints (Sanctoral cycle) and encourages the faithful to imitate them.

The printer for all seasons

Once upon a time all the printing in the Church was confined to monasteries where the monks labored tediously transcribing the words of God for the generations to follow. Centuries later, we at the Fandel Press feel somewhat awed to realize that here in our plant alone we are capable of printing and binding more work in a month than all the monks and artisans of the past ever accomplished in a lifetime. Why is this? The reason is simple. Printing has developed to the point where it is essential to everyday living. It is a vital force for today and the tomorrows of the future. At the Fandel Press, printing has rolled off our presses every working day of every week of every month of every year for fifty-two years . . . indeed the printer for all seasons. Won't you think of us for your next printing order?

Sick Calls

When a priest is called to administer the Sacraments in our homes to the sick, the following preparations should be made:

1. The room should be clean and suitably ornamented.
2. A small table should be conveniently placed, covered with a white cloth.
3. A crucifix placed in the center of the table.
4. Two blessed candles placed in candlesticks on the table. These should be lighted when the priest is expected.
5. A vessel containing holy water should be provided, and a sprinkler if possible.
6. A glass of fresh water placed on the table, a teaspoon and a plate with small crumbs of bread for cleansing the oil from the hands of the priest.
7. A white cloth or towel placed ready to be used by the sick person while receiving Holy Communion.
8. Some cotton wool provided to wipe away the anointing.

When the priest is known to be carrying the Blessed Sacrament, it is a very laudable custom for one of the family to meet him at the street door with a lighted candle and escort him to the sick room. All those present in the room should kneel when the priest enters with the Blessed Sacrament.
